Betreff: RE: LSFO avails at Manzanillo

Hi Christian,

Please note that there are no LSFO avails in Mexico at any time, anywhere. Pemex heavy resid is so inherently high in sulfur content, that it must be lightened to a 5 (FIVE) cSt in order to guarantee a max 1% sulfur content. This is effectively a dirty mgo which yields a higher cost than available LSMGO.

saludos
marc

Dear All

We have MV Blue Cat at Manzanillo currently. Pls advise LSFO avails of 380cst along with price indication.

Thanks and Brgds

Thanks and Regards
